Tentative State Ticket Is Selected as Feeler, But is Subject to Changes.

Phoenix, Aris. Pob. t.—Here is just about the way the Arisons Republican lighest is going to look this year:

I. S. senator, Joseph H. Kilber,

Congressman, J. Knox Corbett, Tuc-Governor, Thomas E. Campbell,

Secretary of state, Raiph G. Whit-latch, Phoenix.

Abditor, Jon V. Prochaska, Miami.
Transurer, J. Myron Allred, Safford.
Corporation commissioner, Thomas taddock, Williams.

Attorney general, E. S. Clark, Pres-ott.

School superintendent, Charles F. x commissioner, Budolph Kuchler,

Supreme judge, Frank O. Smith.

Supreme judge, Frank O. Smith. Prescott.

Mine inspector, J. M. Smith, Bisbee. This is the slate. It is tentative and several changes are almost sure to be made. But the leaders, is signalizing the G. O. P. throughout the state, are going on the theory that these men will be candidates at the primaries. They are accepting suggestions from no matter what source. They accepted and considered many suggestions before they decided to put forth the above ticket as a "feeler."

tieflet as a feeler."

Care Taken To Fick Good Ones.
The greatest of care has been exercised to select men who are not only popular and good campalguers, but who are competent to fill the offices. A number of disinterested parties, personally acquainted with practically all the candidates, are of the opinion that it would be hard to put forthe a ticket more likely to get the support of voters. Kibbey, Campbell, Prochasica, Philimook and the two Smiths are perhaps the strongest men on the suggested ticket but not one is a "weak sister."

One Question Settlest.

The leaders debated long and sarnestly whather it would be wisest to run Kibbey or Campbell for governor. This matter was decided by the men themselves. Kibbey was governor af Arizona in territorial days and would rather go to Washington than back to that office. Campbell believes that he would have little opportunity to serve Arizona in the senate and stated positively that he would he a candidate for governor or nothing. So it was settled.

It is quite possible that Kibbey will not be the only person to go before the Republican voters at the primaries as a candidate for senator. Robert E. Morrison, of Prescott, has announced.

Mandock Net Eager.

Thomas Maddock is a railroad con-

candidate for senator. Robert E. serison, of Prescutt, has announced at he would like very much to be

mator.

Klibbey is willing. "We want the rousest candidates we can get and if r. Morrison can get more votes at the imaries it is likely that he can get ore at the election," remarked Kib-

Campbell, on the other hand, insints but he be not opposed at the primaries. Is wants to feel sure that there is a oneral domand for his services in the overnor's chair.

of feature, the Broadway-Univeral. It is quite an undertaking to

sal. It is quite an undertaking to create a new brand, but in this instance it will not be a new brand, only a new pame of a brand which has already become firmly established.

With the release of Violet Mersereau in 'The Path to Happiness.' a five real drama of the Adricodacks, the brand bame will be changed to Red Feather Productions, and all of the succeeding features formerly known as Broadway-liniversal will be released under that name. The reason given for the change is that other film companies are using the name Broadway, but the productions are not up to the standard set by the Universal.

"The Path to Happiness" will be released January 31, followed by Harry D. Carey in "A Knight of the Range," and Harliert Belcoy and Effic Shannon in "The Sphinx"

PAULINE FREDERICK'S
INTERESTING PROBLEM

If a mother has descried her baby daughter and husband to share the fortunes of a profligate count, does she make atonement for her deed by paying the death penalty for a crime committed by that daughter."

This is the problem set forth in "The Spider." Famous Players-Paramount picture, just released in which beautiful Pauline Frederick appears.

Beside its tenue dramatic situations, the play has the additional interest of presenting Miss Frederick in two absolutely different roles, the one a notorious Parkian beauty, and the other her charming and ingeneous daughter when the woman deserted when she was a little baby.

Maddock Not Eager.

Thomas Maddock is a railroad contractor with a big business and does not want to hold any state office. If he is nominated for the corporation commission he will make the race but he would much rather have the Republicans persuade Fred Breen, of Flagstaff, or some other strong northern man to take his pince on the ticket. While no statement as io the future conduct in such cases has been made by the immigration officers here, it is known that the Texas state penitentiary and other jails now hold many Mexican convicts who will be deported on the completion of their terms. This method has been determined upon by officials at Washington to get id of a large number of men of this nationality who have been convicted of crime, and who, the officials believe, will not be of any benefit to the country by their release on Texas soil.
